January 16, 2015 Program: Robert Nelson, Woodturning Overview

By: Steve Lockhart

Robert Nelson teaches classes on woodturning at The Clearing folk school in Ellison Bay, the Craft Artisan Initiative at Northeast Wisconsin Technical College in Green Bay and soon at his granary studio.

Rob's interest in woodturning began in high school, but , mostly he taught himself to turn wood.

After 20 years of dairy farming in Winchester, WI., he transitioned to turning as a hobby and then started a business called As The Wood Turns. His work is sold at the Whitefish Bay Farm art gallery in Sturgeon bay and at various craft shows.

We are looking forward to an entertaining and informative program about various woodturning techniques.

From the 2015 Guild Woodwork Show Chair

Submitted by: Lyle Martens

Your Woodwork show committee has been hard at work in organizing the March 14 and 15 Woodwork Show. I urge each of you to be a participant in the show.

First, in this Newsletter is an application for the reservation of a space at the show. **IT IS VERY IMPORTANT TO NOTE THAT THE ABSOLUTE DEADLINE FOR SIGNING UP FOR A TABLE IS FEBRUARY 1.** No follow-up calls will be made, so if you do not send in your reservation form by the February 1 date you will not have a space reserved. If there are any spaces left after that date, ***it would be first come first served.***

We hope that you will consider donating one of your projects for the drawing. We will need a description of your donation by February 1 also, but if you have the information available by the January Guild meeting that would be great.

Secondly, an IMPORTANT CONSIDERATION! Each year there is an expectation that each member that has reserved a table will donate a door prize and purchase 25 tickets. The rental space and tables at Southwest H.S. are costly. Hopefully the purchase of **25 or more tickets** will go a long way in making the show a successful event.

Finally, a challenge to each of us. If every member would pledge to sell at least 25 tickets the Guild would have about \$4,000.00. With the additional tickets that we sell at the show we could show a profit for the many projects of the Guild.

The committee has been working hard to make the show the best ever so we need your help. We have the best commercial woodwork tool donations that we have ever had. I believe that to date the value is over \$1,000.00. In addition, Sybll Hopp School is going to serve the food at the show as their chance to raise money for the school. This should be an added incentive for the public to attend.

LET'S MAKE THIS A GREAT EVENT.
