September Program: Building a Cedar Strip Canoe with Jeff Grosskopf

By: Steve Lockhart

Jeff teaches a canoe building class at Mosquito Hill nature center in New London.

Our program will feature a power point presentation of the steps involved in building a cedar strip canoe. The canoes Jeff builds consist of strips of cedar covered with fiberglass cloth saturated with epoxy resin.

Jeff will bring a full size canoe and bench shaft paddles to the meeting.

Upcoming Events

Upcoming program events include the following:

- ◇ **September 19, 2014:** Jeff Grosskopf, building a cedar-strip canoe
- ◇ **October 17, 2014:** Robb Nelson, lathe turning
- ◇ **November 14, 2014:** Thomas Dumke, Shaker furniture design and build

IMPORTANT NOTE: The November program will be one week earlier than normal on November 14th (**not** November 21st)

In This Issue

- September Schedule
- Upcoming Events
- Board of Directors Meeting Minutes

Board of Directors

Meeting

No meeting minutes as there was no program held in the month of August. However, the next Director's meeting is scheduled for September 23, 2014.

For Sale

Submitted by: Bob Kloes

I have basswood and butternut kiln dried carving stock for sale:

- Basswood—2.25" thick
- Butternut—4" thick

Basswood is \$2.85 per board foot.

Butternut is \$5.75 per board foot.

Must be the whole board. I do have cutoffs in figured wood, some spalted maple turning blanks, and lots of figured wood. E-mail bob@bobkloes.com or call 920.833.7157. Located between Seymour and Black Creek.

Tools Every Woodworker Should Have

Source: <http://www.wagnermeters.com/wood-moisture-meter/top-40-woodworking-tools/>

While searching the web, I came across this site and felt it worthy of sharing. This is a list of 40 hand tools that the web site article recommends every woodworker should have. So, how does your work area compare and will you do some shopping after looking at the list?

Hand Tools

- Claw hammer
- Tape measure
- Utility knife
- Moisture meter
- Chisel
- Level
- Screwdriver
- Nail set
- Sliding Bevel
- Layout square
- Block plane
- Caliper
- Clamp
- Jig

- Hand saw
- Feather board
- Metal detector

Furniture and Storage

- Saw Horse
- Work bench
- Tool storage system
- Shop Vac
- Bench grinder
- Circular saw
- Power drill
- Saber saw
- Palm sander
- Random orbital sander

- Table saw
- Rip fence
- Miter Gauge
- Jig and Dado
- Compound Miter saw
- Router
- Band saw
- Radial arm saw
- Drill press
- Surface planer
- Jointer

Non-Tool Tools

- Owner manuals
- Safety equipment
