

BENCHTALK

Northeastern Wisconsin Woodworkers Guild

Volume 39: Issue # 7, September 2021

GUILD MEETING WEDNESDAY, SEPTEMBER 15, 2021, 7 PM.

Location: The Art Garage, 1429 Main Street, Green Bay (See map/directions page 2)

Program: Hand Carved Bowls by Paul Murphy Paul is looking fwd. to giving you a presentation on how he creates his hand carved Bowls. He will mostly use a slide presentation, with lots of show and tell, along with the tools and equipment he uses. (Grinding would create too much dust for at the Art Garage.) He will explain his process and his grinding bench. He will bring many hand carved bowls to show you.

****** Please note: For this meeting, we are asking attendees to follow CDC recommendations for indoor gatherings. Please wear a mask, and practice social distancing, to protect each other. Thank you.

Notes from Paul Murphy and Pat Williams, Guild Pres. & Vice pres.

Hi Guild Members,

Whew! Here it is time for our monthly guild meeting and it seems the time has flown by! But we know where it went! We had 14 trees go down in the wind that needed attention. This year it is 27 years since our pond has been dug and with all the leaves it has grown in with cat tails and muck, so we have been cutting out trees, brush, stumps etc. getting it ready for some new landscape. And have been busy with the final planning for our Show in October.

Pat will have an update on our show scheduled for October. She has scheduled a final planning meeting for all of you to come to, on September 29, at 7:pm at the Art Garage. She is counting on a good attendance and will go over all aspects of the show at that meeting.

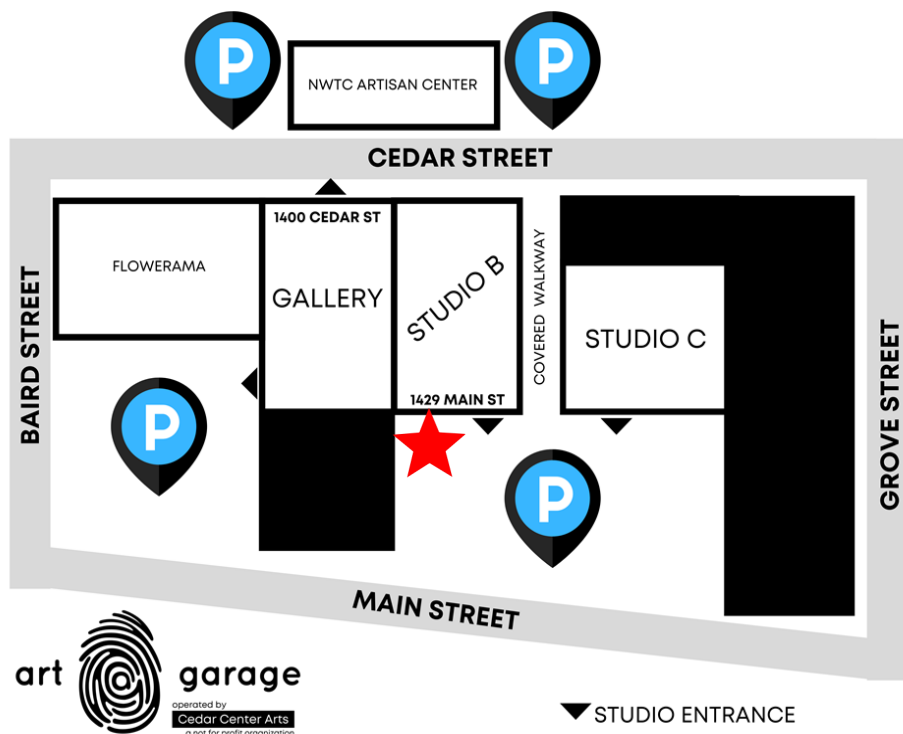

Looking fwd. to seeing you on Wed. September 15th at the Art Garage.

Paul & Pat

P.S: Please remember our Web master, Matt Hamblin, in your prayers. He is dealing with some major health issues.
