## Northeastern Wisconsin Woodworkers Guild

**Volume 35: Issue #7, 2018**

Sept program; 7 pm, 9/19/2018      Rescheduled, after April blizzard caused cancellation

**Tom Sveum, Wheelwright on Building and repairing old time wagon wheels** By Steve Lockhart

Tom recently gave a program for the Woodworkers guild in Milwaukee and our guild member and “double agent”, Gary Emerich suggested that we would be interested. We are lucky enough to have Tom for our program in September. Tom does buggy and wagon restoration at the Historical Museum in Milton, WI,

The program will include how long we have built wagons, sleds, cutters, and have done repairs to fire engines, water wagons, cannons, grain drills, and a variety of other equipment. Also included will be what wood is used, how it is put together, and some finishes used. We will have photo showing how and why wheels are pitched/angled for strength, tools used, and names of pieces in vehicles. We will bring some tools and pieces with us to demonstrate.

### **2018 UPCOMING PROGRAMS AT ASHWAUBENON HIGH SCHOOL 7 PM**

### **NEWWG Library**

Just a reminder that all library materials are due this month. We would normally expect them back after a month, if you can't make a meeting bring them back the following month. That way the materials are available for other members to view. So look through your shelves to see if you have any materials that you may have forgotten to return. After the September meeting I will send out an e-mail to each member with a list of overdue materials. Thanks for your support of the guild

Pete Schuh

## MEMBERSHIP UPDATE

This summer has gone fast for our new Guild membership renewal process. Next month, October 1, begins our new membership year. Many members have renewed but several have not. Our goal this month is get all members renewed for the 2018/2019 year by October 1, 2018. I have listed the members below who have not renewed as of this month. If you feel your information is not correct, please call 920-621-5125 or email me at tzabel5125@hotmail.com. Send your checks made to NEWWG to me at 2683 Whitegate Trail, De Pere, WI 54115. Call 920-621-5125 with questions.

It is our preference that all renewal are up to date as soon as possible. I will begin making follow-up phone calls to the nonrenewed members sometime in late September and will probably have some calls/contacts left to do in early October. I will delete most nonrenewed members before the October "Workbench" is sent out.

Also for the people who have decided to relinquish their membership, please send me an email message at tzabel5125@hotmail.com or drop me a written note.

We do appreciate all your assistance in moving to this October 1 renewal process. Please let me know of any problems.

Thank you Ted Zabel

### **By Popular Request—From the Guild picnic—Pat Williams Potato Salad Recipe**

Pat's—GERMAN POTATO SALAD

This is the BEST EVER! When I was sooo busy raising my 5 children, my wonderful neighbor Ruth, would often appear at my kitchen door with a huge bowl of this wonderful dish! My kids just gobbled it up!

I hope you will not only find it very easy to make , but delicious.

Thanks, Pat

1#	bacon	1/3 cup	flour
2/3 cup	vinegar	1 cup	chopped celery
1 & 1/2 cup	granulated Sugar	1 Tbsp.	Salt
1 cup	water	1 lg.	Onion, chopped

Pre boil to just tender, 5 # russet potatoes. Can do the day before & cool.

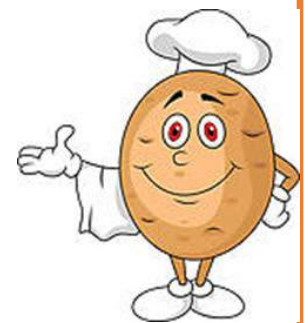

Peel the skins off and slice them in half and about 1/8" thick. Set aside.

Cut the bacon in 1 inch pieces, and fry to golden brown. Drain almost all of the grease off.

To the bacon in the pan, add the flour and stir well. Add all the remaining liquid and stir to a soft bubbling. Then add sugar, salt, celery, onion and stir altogether. Stir the pre-cooked potatoes to the bacon/sugar mix.

Serve warm, TO RAVES!!!

ENJOY!!!!
